KELLY BOATS STRANDED.

of His "Sailors" Arrested for Assaulting Eldon Officers.

ELDON, In., May 16. The Industrial Scores of policemen patrolled the burned; to the great majority of the miners and Navy started from Ottumwa promptly at operators. The operators held another meeting at the Hollenden carly to-day and continued their effort to unite upon a plan to be fellowed in the Convention. A more liberal feeling was manifest, but the Pittsburg rail men and the Ohloans were still pretty far apart, the latter contending that the miners would not issue to the proposition discussed during the night to establish a rate of 5c cents for Pittsburg, with a differential of 9 cents in favor of the Ohlo operators. That proposition is for a compromise of the half-and-half kind, being 15 cents above what the Pittsburg what the miners demand.

Navy started from Ottumwa promptly at no vy steriday, and encountered the move, yesterday, and encountered the worst section of the river thus far met during the rip. Last night one hundred boats camped half a mile below the city, the rest being scattered on shoals, rocks and sand bars, ten miles above. The Rock Island road ran all engines out of the city, taking precautions against an attenot to steal trains. Deputing the night to establish a rate of the city, the rest being scattered on shoals. The Rock Island road ran all engines rocks and sand bars, ten miles above. The Rock Island road ran all engines and the pitty, the rest being scattered on shoals. The Rock Island road ran all engines rocks and sand bars, ten miles above. The Rock Island road ran all engines and the policy taking precautions against an attenot to steal trains. Deputing the night to allow no Kelly men to land above the camp. One boat did so and when a deputy ordered the men off, the Commonwealers the Coxellos were clubbed. Two were arrested and gave bonds for appearance and the control of the city to the rest being scattered on shoals. The Rock Island road ran all engines out of the city, taking precautions against an attenot to steal trains. Deputy sheriffs have orders to allow no Kelly men to land above the camp. One boat did so and when a deputy ordered the men off, the Commonwalers threw rocks at the sheriffs, whereupon the Coxeyltes were clubbel. Two were arrested and gave bonds for appearance today. There is considerable excitement and some trouble is feared. There was another small row last evening in which several men were hurt.

When Taken in Custody.

Commonwealers who took a train from peller have arrived here and made a shal Rankin refused to comply. A sandstorm was raging and later snow and
hail fell, making the hungry men desperate. They were about to setze a
train when Marshal Rankin, upon information from Marshal Phikham, arrested
them. They were then housed and fed.
Col. Copeland, with 20 soldiers, left
Cheyenne for this place yesterday, and
Col. Pollard and 168 men of the
Eighteenth Infantry reached here at 3
o'clock this morning to aid Marshal
Rankin in the work of taking the Commonwealers back to Idaho. Marshal
Pinkham, of Idaho, will reach here this
eyening with warrants for the Commonwealers who are now imprisoned in the
armory. shal Rankin refused to comply. A sand-
